

Grounded in a tradition of innovation and service

In 1891, Intermatic began producing portable fare registers for streetcars. Over the next 115 years, Intermatic developed a huge variety of products that have increased the safety, productivity and convenience of homes and businesses around the world.

Driven by new technology and the needs of our customers

Today, Intermatic is the leading supplier of high quality energy control products for industrial and commercial markets — moving into the 21st century with an extensive line of technology-driven products backed by an unparalleled level of customer service.

Based on improving convenience and safety

Intermatic is committed to making life productive, convenient and safe through the innovative use of electrical current. Continual product innovation, creative marketing and effective brand management makes Intermatic the most pioneering company within the wholesale distribution channel.

Your total energy management solution

Through our family of products, Intermatic provides a total solution for your energy management issues. Through our family of expert sales, training and technical personnel, Intermatic provides complete sales and marketing support.
